Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Hampton-Newport News Community Services Board Traumatic Event Response in fiscal year 2024. The entity to receive funding for this project is the Hampton-Newport News Community Services Board located at 300 Medical Drive, Hampton, VA, 23666. The funding would be used to enhance the existing staffing structure to rapidly engage with and support victims. The project is an appropriate use of taxpayer funds because traumatic events places additional strain on already limited resources and they are a critical partner with the cities of Hampton and Newport News and local law enforcement.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bobby Scott".
