The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the EMS Fleet Modernization and Ambulance Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Hampton, Virginia, located at 22 Lincoln St., Hampton, Virginia 23669. The funding would be used for acquiring two Type I ambulances to replace frontline units that are no longer reliable. This project is an appropriate use of taxpayer funds because it strengthens emergency medical response, improves patient outcomes, and ensures safe, timely access to care for residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized in Public Health Services Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bobby Scott".
